

ST. THOMAS DOWNTOWN

SCAVENGER HUNT

for

MEMORIAL PLAKS

OF DUBIOUS ACCURACY AND SUSPECT PARENTAGE

1 - We'll give you a sign for how to find this one. It won't be printed out though so don't get too excited. You still have to work for it a little.

2 - We know you're hungering for more information on this one, so we'll give you a hint. It lives with a fish out of water.

3 - We've given you a chance to find this one. Will it be enough?

4 - She's not your grandma, but she's got style. And a memorial plak.

5 - We think you'll see right through this clue. Rose-coloured glasses aren't required.

6/7 - As a point of interest, we should mention this location will prove to be quite informative.

8 - It may not be the fountain of youth, but we still recommend stopping here for a break.

9 - There's a fine art to locating these memorial plaqs but we think you're up to the task.

Check off the clues as you find them!
